2.6 School admin staff

School admin staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the phase leaders to provide them with more detailed support on attendance (or record the contents of the phone onto CPOMS tagging in the class teacher and phase leader)

2.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time

- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

2.8 Pupils

Pupils are expected to:

- Attend school every day on time

3. Recording attendance

3.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made

The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive at school by 8:50am on each school day.

The register for the first session will be taken by 9:00 and will be kept open until 9:30 (latecomers will be recorded on our electronic register by the admin team whilst parents/carers sign their child in on our sign in system). The register for the second session will be taken at 13:00 and will be kept open until 13:05

3.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office (see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or another appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

3.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

To notify school of a planned absence, parents/carers must complete a 'Leave of Absence' form (which is available from the main school office and can be emailed upon request).

However, we encourage parents/carers to make medical and dental appointments outside of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

3.4 Lateness and Punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- The school will use the [U] code for arrivals after 30 minutes from the start of the session

Parents/carers must sign their child in at the main school office if they arrive after 8:55 as all classroom doors are closed at this point

Admin staff will then mark the children in the electronic register and take them to their classes.

After (any) 5 instances of lateness, school will contact the parent/carer to elicit the reasons for lateness within the form of a supportive conversation. Should there be wider challenges for

the family, school will involve the SENDCO and Inclusion Lead and open an Early Help Assessment. Where there are no particular reasons, school will monitor the lateness for a period of time to ensure that it has ceased.

3.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach **any** of the pupil's emergency contacts, the school may carry out a home visit, with the Headteacher if needed, following Lone Working procedures. Should school still not be able to make contact with the family, it may be necessary to request a welfare check from the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

3.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels. We will do this by:

- Sending half termly attendance reports to all parents/carers
- Reviewing attendance weekly of all children and making phone calls followed by:
 - **Phone call from headteacher and attendance letter 1** once children have dropped into the warning zones to offer support and guidance (see appendix showing the zones at the end of this policy). Improved attendance will be followed up by a letter and continued monitoring.
 - Follow up letter, if there is no improvement, to advise of a four week monitoring period – **attendance letter 2**
 - **Meeting with Mrs Withers and Mrs Boyes/Mrs Miller** if there is no improvement, with no further authorisation of any absences
 - **Referral to the Local Authority** for a penalty warning notice
 - **PLEASE NOTE – all of these processes could happen within a half term if necessary**
- Invite to an attendance meeting should there not be a consistent improvement
- Liaise with local high school and invite to the meeting should the attendance issue be affecting the whole family
- Should attendance still cause concern, this would lead to referral to the Local Authority for a penalty warning notice
- Term time holidays – all will be responded to (by letter) so parents/carers know if and when they are at risk of a fine

4. Authorised and unauthorised absence

4.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent.

We define 'exceptional circumstances' as:

- Leave of absence linked to needs identified in an EHCP
- Ongoing medical issue (e.g. hospital treatment) when accompanied by medical letter
- Family trauma
- Sporting events/competitions (not for travel, however, unless that travel is international and completely unavoidable)

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 before the absence, and in accordance with any leave of absence request form, accessible via the main school office (paper copy) or a copy can be emailed on request. The headteacher may require evidence to support any request for a leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments.
- Religious observance - where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

4.2 Extended Leave

When a child is absent from school for an extended period (i.e 15 school days or more) parent/carer should advise the school of the temporary address

4.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police. For Fordley Primary School the main route is through North Tyneside Council.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission

- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

- The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.
- A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days.
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution, but may include other tools such as one of the other attendance legal interventions.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification during the first 5 days of a fixed period or permanent exclusion. These penalty notices are charged at £120, reduced to £60 if paid within 21 days

5. Strategies for promoting attendance

- High quality educational opportunities so children do not want to miss school
- Welcoming children back after an absence and letting them know they have been missed
- Celebrating best class attendance each week
- Celebrating all classes above 95%
- Celebrating improved attendance

6. Attendance monitoring

We monitor attendance by:

- Tracking all children who fall below 95% each week (and continuing to track and communicate with families until attendance increases above 95%)
- Identifying vulnerable attenders so they can be monitored by class teachers and absences reported instantly
- Reporting attendance figures to governors on a half termly basis and explaining the actions taken to reduce overall absence, persistent absence and improve attendance for all

6.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority levels through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

6.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

6.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils whom the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Refer to Local Authority if all above hasn't worked

Process school will follow:

1. Use 'Quick Follow Up' on Arbor to identify children absent each day
2. Daily phone calls to check on reasons for absence (if no contact has been made from home)

3. Home visits if no contact can be made
4. Track attendance weekly
5. Initial supportive phone call to families where attendance has dipped and there is no specific reason (ie. No term time holiday or medical issue)
6. Plan put in place and wider services involved where needed
7. Should attendance not improve then a 4 week monitoring period will be started (family will be notified by letter)
8. Should attendance continue to deteriorate, family will be invited into school for a meeting (school will invite Local Authority attendance officer)
9. Should there be no improvement following this, a penalty warning notice will be issued and other services may be called upon for more formal support and challenge

7. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by Claire Withers/Headteacher. At every review, the policy will be approved by the full governing body.

8. Support

The school will:

- Build relationships with students and families to encourage regular school attendance.
- Analyse and use data and relationship knowledge to prevent regular absence.
- Using resources (School-based and external services) to intervene early with support.
- Use targeted support for persistent/severe absences.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour for Learning; Behaviour for Life policy

10. Legislation and guidance

This policy meets the requirements of [working together to improve school attendance](#) from the Department for Education (DfE) and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:
