### Body Changes and Puberty Session - Year 4

Wednesday 3<sup>rd</sup> May, 2023

Dear Parents and Carers,

Before the end of the summer term, Year 4 children will take part in a session led by Mrs Brown and Mrs Buchan, all about understanding body changes and puberty. Both teachers will be following the planned session for school.

We have always found this to be informative, interesting and enlightening for the children, and a useful part of their personal development and science knowledge. It is important for children at this stage in their development to have access to factual information to help them understand how they will change, grow and develop.

If you have any questions about the session, or any queries in general about this, please feel free to speak to your child's class teacher or Mrs Nicholson who is our PSHE and RSE school lead.

Yours sincerely

Mrs C.L. Withers  
Headteacher
