Are the times of appointments suitable for you?

- Yes (33 responses stated yes)
- They are great
- Perfect. Got the exact time requested.
- Yes but possibly allocate 10 minutes
- Very suitable

Was the information shared at your meeting helpful?

- Yes (30 responses stated yes)
- Very helpful (4 responses)
- Very helpful and lovely to read through school books
- Very! It's nice to know what she's learning so I can support that at home
- Very helpful and always included my child during the meeting
- Yes, my child's teacher covered all the areas in detail
- Yes, gave us a good insight into daily activities, age related expectations and settling in
- Very much so. We were informed about our child's progress and also about future targets

Is there anything else you would have liked to have been told about at parents evening?

- No (32 responses)
- No I believe all areas were covered (5 responses)
- No everything was covered and more time taken. Very informative in a relaxed environment
- I think, as the teacher gets to know my child, it would be helpful to have a list of a few key areas to focus on at home

What do you think of the learning in your child's books?

- Good (2 responses)
- Excellent - clear progress shown
- Great idea so that you can actually see things rather than just talking about it
- Fab
- Very good (4 responses)
- Great!
- Excellent. Since September already lots of amazing work in my child's school books
- Fantastic records of achievement - progress is clearly defined
- Brilliant (2 responses)
- Good and way beyond what I had thought
- Wide range of learning material
- It's brilliant. My child has really started to blossom and her learning journey reflects that
- Very good. My child is coming on really well
- I love the learning journey books so you can see how your child is progressing

- I was very pleased with the work my child has produced so far this year. It was well presented and he takes care with what he produces.
- It was nice to see all the pictures and interesting to see how well my child is developing
- It's very reassuring to be able to have an insight to my child's time in Nursery and the effort that goes into the recordings
- Great. Lots of topics are covered. Especially pleased with the maths book
- Lovely to see exactly what she has been learning about so we can continue to build on her next steps at home
- Loved seeing my child's progression in just a short space of time
- They are really good
- Proud of how my child's learning is coming on
- Highly impressed
- My child's books were excellent, he is working hard and taking care with his presentation. It is pleasing to see him being challenged.

What are your impressions of your child's classroom?

- Yes my child always goes to school with a smile on his face

Further questions/comments

- No (13 responses)
- Thank you for making my child's experience of school fun and a great place to learn
- Keep up the great work! My child loves school and I want this feeling to continue
- Keep up the good work
- The teachers in my daughter's nursery put a great deal of effort into the children, treating them with such dignity and respect. They always have a smile for the children. I am very impressed with her Nursery. Well done.
- My child is really enjoying Y3 and his teacher. The lessons seem fun and enjoyable and he has coped well with transition to Y3.
- Fantastic school and teachers. Thank you for the amazing job you all do with my child
- Just want to say thank you to Mrs Nicholson for making school a happy and enjoyable place
- My child has made a steady start to Y3 and we hope he continues to make good progress this year.

Actions to take:

- Up to 6pm would be better
