

FORDLEY PRIMARY SCHOOL

Reception Family Feedback from Chinese New Year Workshop

2016

What did you enjoy?

- It was really great to get involved with my child's activities
- Enjoyed all the different activities and would like to do it again
- I really enjoyed the interaction and taking the time to be creative
- I enjoyed the whole activity. It was really exciting
- My child loved making the dragon
- We really enjoyed making the paper lanterns. It was really nice to see how they work in school.
- We enjoyed all the activities we did, especially the lantern
- I really enjoyed spending time with the children making lots of different things and having fun
- I really enjoyed making all the things with my child and seeing him interact with his friends
- We enjoyed everything. It was nice to move around from table to table
- We enjoyed everything and will try this at home. Well organised - thank you.
- I really loved working alongside my child. There was a lot of different interesting activities and loads of space. The topic was great too. It made us look it up on the internet.
- I enjoyed making various items related to Chinese New Year. I'm not usually very arty but the different tables were very interesting and fun

What could we do better?

- Nothing! Everything was great
- A few more tables on the popular activities
- Perfect
- Could have had a bit of music
- More sessions
- Bacon sarnies!?
- Other types of holidays and celebrations
