## Reception Family Feedback from Learning Together Mornings - 2015

- I have enjoyed our Learning Together experience. The children have some lovely learning experiences and my child was delighted to have this option.
- I found the Learning Together morning very insightful to how my child spends his time in Reception and how they all learn. I very much enjoyed doing activities with my child.
- I had a great time - thank you.
- Very good morning seeing the activities my child does on a daily basis. Great chance to look at their learning journeys too.
- I have had fun learning how the children are learning and very pleased with all aspects of learning.
- Had a good morning and enjoyed working with my daughter.
- I found the session interesting to see what my child does through the day as he never remembers what he does.
- I really enjoyed seeing how my child is taught and learning about her school life. I am happy and confident my child is having a good education and start in life at school.
- Enjoyed today. Was lovely to see how much my child has improved since Nursery and to join in the activities he does every day.
- I enjoyed seeing how Harry learns at school. I like that they get a choice of activity so they can play with different things.
- Enjoyed spending time in class and seeing what my child does in school. Thank you.
- Great to see my child in his school environment and interacting with his friends. He behaves in a totally different way at home than at school; much more confident than I imagined he would be. Also good to see how to help him read and sound out words for spellings as I can do this at home.
- I really enjoyed seeing my child in his school environment. I was nice to see him interact with his teachers and peers. Jamie has made so much progress since September.
- It was nice to see my child in her class to see how she acts in a different environment and how/what she is learning about at school.
- I found the morning very beneficial as I enjoyed seeing how my child behaved and learned during school time.
- Thoroughly enjoyed spending the morning in my child's classroom. We all enjoyed the activities with the children.
