

FORDLEY PRIMARY SCHOOL

Year 1 Family Feedback from Learning Together Mornings - 2015

- I found today very interesting and enjoyed seeing what my daughter is doing in school every day. It's helped to see how to help her at home with homework.
- I found this morning very interesting and found that my son was further on in his numeracy than I thought. It was interesting to see how the children learn.
- I thought it was brilliant seeing how my daughter is learning. She was excellent doing phonics.
- I found it good to be able to see how my son works at school
- I found this morning very helpful to see my child's development. I am pleased to have been able to see this. Thank you.
- It was lovely to see what my son does at school - he likes to tell us he does 'nothing'. I was pleasantly surprised with how he concentrates and appears to work within his class and with his friends.
- Excellent teaching. My daughter is working and learning really well. Well done all!
- I found it good to find out how my daughter's morning goes and how she learns.
- I was only able to join the class at 10:00 however I was very impressed with how my child is developing
- I loved the morning. It was good to see the things my son gets up to at school. It is nice to be involved at school. I think it is brilliant that the teachers are happy to allow parents into school.
- I was pleased with my son's progress in school, and was pleased to see how well he's getting on with his work.
- I enjoyed today although it may not have been a 'typical' couple of lessons. I thought my son was great in the maths class but I think his writing's better at home. I appreciate more how important it is to help him a bit more at home. Hats off to the teachers for their patience.
- Very interesting, advanced and challenging. I hope that my daughter will be able to concentrate for the entire length of the task at hand.
- Very worthwhile. Enjoyed seeing a typical school morning, would have loved to see more. Great to see the way the children learn, so I can carry that on at home.
- Enjoyed seeing my son working with the other children and seeing how his school day runs
- Enjoyed watching what they do day to day. Lots of tips to take home for extra practice.
- Lovely to see how well my son joins in. His reading at home has come along really well. It's nice to see how this has been structured in school.
- We are very glad we came and got to see how hard Jay and all the other children work. The routine and pace is very good and obviously benefits everyone.
- It was great to see what the children do in a morning at school. They do a lot more than I thought. I enjoyed the morning very much.
