

FORDLEY PRIMARY SCHOOL

Year 2 Family Feedback from Learning Together Mornings - 2016

- I enjoyed seeing what my child is learning in his lessons in Year 2. He seems to be very happy and enjoys coming to school
- I enjoyed seeing what my child is learning about. I thought the game in numeracy was a great idea. My child seems to really enjoy it.
- Good lesson. Bit of variety. No concerns with the work.
- Was great to find out more about the curriculum. Liked to see how they work individually and together. I learnt a few things too - arrays
- It was interesting to see how the use of ipads helps the children learn, and see how they are taught.
- I really enjoyed today. I learned how I can help my child. Thank you.
- I was very happy to see and find out how my child works. It was a well-structured morning and all the children knew what they were doing. They work very hard and it shows in my child's work. I'm glad I came in and I now know how well my child is doing.
- Really enjoyed being able to see the routine and an opportunity to understand school work will make working easier at home. Thank you.
- Children were very well behaved and the methods used to teach times tables (for example 'the dots') are really good for the children to learn.
- I really enjoyed spending the morning with my child.
- I had a great morning. I think the learning I saw with Mrs Oswald was very good.
- Very fun morning. A good opportunity to experience the school day.
- Was good seeing how the children are helped and then pushed further
- Very interesting. Now I know how to add extra work for my child to help her learn faster and more.
- I have really enjoyed my morning with the children. They all worked really hard.
