### Year 2 Family Feedback from Learning Together Mornings - 2015

- Loved the morning with the children. I'm so surprised at the level they are all working at. The methods in each subject are amazing. Coming in and seeing them is a great eye opener.
- Very interesting - different methods used in numeracy. Enjoyable morning seeing how well they all work and how much work they get through.
- I'm really pleased with the way my child is coming on. It's nice to see the way the teachers work.
- I was really pleased with the morning lessons. I don't feel anything needs to change and you have everything covered.
- Had a very enjoyable morning. The work that the children do is amazing. Thanks for the invite.
- Very enjoyable morning! Surprised at how much work is fitted into each lesson and how well all the children participate. Keep up the good work.
- I found this morning really interesting. It's nice to see my child at school working with others and the teacher. It's good to understand how they do things so we can help more at home. Really enjoyed it.
- The way in which the children learn is very good.
- I really enjoyed seeing how the children are taught. It's nice to have the opportunity. Really pleased with my child's progress
- It was a very good idea to come into school and great to find out how my child learns.
- Good to see what they do on a daily basis seeing how they work and cope, and take away some tips to use at home.
- I enjoyed finding out what and how my child does in lessons, and how he acts in class.
- It was a very good experience being at school today. Watching my child learn was very rewarding.
- I found the meeting very informative and was pleased with the way the lessons were explained to the children. Very pleased to see they are taking up the times tables.
- Enjoyed the morning and learned a lot. Nice to have one to one time with my child in a school setting.
