

FORDLEY PRIMARY SCHOOL

Y3/4 Family Feedback from Learning Event

July 2019

- I feel that this was the best presentation I have been invited to attend. As it was specifically one/two year groups it meant that we were all able to appreciate our respective children's contribution. The presentation was well put together and showed a real tangible look at my child's work
- Fantastic opportunity to see work and what we hear from our child come to life. Great to see our child at school in his group and being excited to share his learning. Thank you for these opportunities and can't wait for more.
- Lovely to be able to see/share the work that the children have been involved in - they've clearly enjoyed and learned a lot. Nice organization, being able to move around different areas and have the children as experts in these. Lovely afternoon.
- Brilliant range of facts, very fun and informative. Performance was great, it looked like a lot of hard work had gone into it all.
- Very interesting afternoon, a fantastic way for the children to learn about their topic. Well done Fordley primary School.
- I thoroughly enjoyed the children's museum. They did extremely well. I also enjoyed doing the quizzes. It was really good.
- Always enjoy coming to these. The kids are great and have worked really hard. Well done Y3/4.
- What a wonderful eye opening to Africa. The children are very clued up on their subject. Enjoyed it very much.
- Brilliant as usual!
- It has been a very interesting afternoon at Fordley Primary learning about Africa.
- Very good idea making it much more interesting for the children
- Fantastic museum - taught me new things
- Very informative and interesting. Lovely to see all of the kids enthusiasm.
- Lovely afternoon, the children's performance was great. Good to see them so excited with learning.
- Lovely afternoon. Children were full of knowledge about the topic and very helpful.
