

## FORDLEY PRIMARY SCHOOL

### Year 3 and Year 4 Family Feedback from Learning Together Mornings - 2015

- I really enjoyed the lessons this morning. The staff are lovely and I liked seeing my child working in a small group with Mrs Clough. It's great to see my child is getting plenty of support in school
- The classroom was nice and quiet and the children were very well behaved for Mrs Buchan. The lessons were fun as well as varied.
- Thank you for the change to share in Y3/4 learning. I thought the children were very focused throughout, worked hard and enjoyed their learning.
- Brilliant. A great opportunity to see how children work at school.
- Really enjoyed the morning with my child. It is nice to see the different ways of teaching and lovely to see the children happy to learn, and the teachers making it fun.
- I found it really enlightening. I really enjoyed watching my children work in pairs and in a team. She was really focused and had a great rapport with the teachers.
- Very impressed with the lessons and the organization that had gone into them. The learning materials are excellent and the lessons are well structured.
- I enjoyed seeing the class structure. It's amazing to see how much work is completed in a lesson. It was great to see how the lessons are covered and I enjoyed the time with my child.
- I think both classes were well organised and enjoyable - thanks.
- Thank you for a great morning! I've really learned a lot from the session.
- Really enjoyed watching the children learn. They were engaged the whole time. The learning was interesting and fun.
- I enjoyed coming into the school and going through day to day lessons with the children. The class are very well behaved.
- I really enjoyed this morning. It was lovely to see how the lessons operate and how all the children are so keen to learn. I think the whiteboards the children have are fab. Children seem to learn so much during a lesson and I think that is down to the great teaching and also the lesson style.
- Thanks very much for the chance to see how my child learns/works. It was lovely to see and be part of.
- I enjoyed the experience of seeing my child working in her school environment as I found it helpful to gain an idea of where she is currently working within her year and made me aware of her strong points and areas where she requires further assistance
