

## Upcoming Dates for Your Diary

- 17th October—Fordley Factor at 5pm
- 30th October—HALF TERM WEEK
- 6th November—Return to school

More dates will be added once they have been finalised. Please note that term dates can be found on our school website: <https://www.fordleyschool.com/term-dates/>

### Even more successes ...

So many achievements from home this week that I decided to dedicate the final page to our gymnasts.

My final four visitors came from Y2, Y3 and Y5 to share with me their wonderful certificates, ribbons and medals.

Each of the girls pictured here could tell me about the different gymnastic skills they had had to demonstrate and the control and determination they needed to show in order to be awarded their certificates and medals.

Well done to you all.

### Rugby World Cup Fun Day Lunch—Thursday 5th October

Dear Fordley Family,

North Tyneside Catering Services would like to invite all children in school to a Rugby World Cup Fun Day lunch on Thursday 5 October.

Every child having a meal will receive a sticker and have the chance to find a golden ticket to win an instant prize. There will also be a star prize golden ticket for one pupil in every school to be entered into a prize draw across the authority to win:

- a signed Newcastle Falcons rugby shirt
- a visit to your school from Newcastle Falcons first team players to enjoy lunch time with pupils
- Match tickets to watch Newcastle Falcons play at Kingston Park
- Places on a Falcons coaching camp

Have a lovely weekend and thank you for your ongoing support of our happy, nurturing and successful school.

Kind regards

Mrs C.L. Withers  
Headteacher

## Amazing Successes from Home and in School

What an amazing week, with so many successes both in school and at home to share and celebrate.

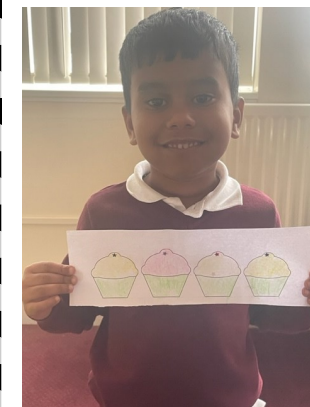

In my first photo you can see 7 of our Y4 children who came to share their fantastic writing with me. Not only were their information texts interesting to read, they had all taken care with their handwriting too!

From Y6 my next merry band of visitors all came to share their superb science learning with me. They had been learning about electricity and I was amazed by how much knowledge they had packed into an

afternoon's work!

Next, from Y5, my visitor came to share his maths work with me. It was lovely to see how well he understood the value of the

numbers.

From Y6, my next visitor came to share his remarkable reading progress—something to be very proud of.

My next visitor, from Reception, came to share the pattern he had been creating and could tell me which was the odd one out.

In my next three photos you can see girls from Y2, Y4 and Y5, who shared with me their wonderful drama award, their amazing dance trophies and their football cup for being player of the match, respectively. Well done to you all!
