Year 2 Visit to Newcastle

Dear Fordley Family,

As part of their history work this half term, Year 2 spent the day in Newcastle yesterday to learn all about the history of Newcastle and to find out about whether we learned any lessons from the Great Fire of Newcastle.

The children had an amazing day, led by a team of experts and our fabulous school staff. They learned so much, walked many steps and represented our school brilliantly when out and about.

Thank you for your ongoing support of our happy, nurturing, hard-working and successful school. I hope you all have a fantastic weekend.

Kind regards,

Mrs C.L. Withers
Headteacher

Successes in school and at home

There are so many successes from home to share this week.

In my first three photos you can see girls from Y2, Y3 and Y5 with their trophies for dancing. In the first two photos, the girls from Y3 and Y5 had been awarded a crystal trophy for

their competition success in slow and fast dances. In the last photo of the group, our Y2 girl had been awarded her trophy for traditional dancing. Well done to all three.

My next two visitors came from Y1 and Y5 with the artwork they had created. One had created designs on canvas, and they were very well painted. The other had painted the statue of a dog and her accuracy in painting was impressive. Keep up the creativity!

In my next set of four photos you can see children from Reception and Y1. They all came to share the trophies and medals they

had achieved when training and playing for their football teams. It was also lovely to see some trophies awarded for being 'Players' Player' or 'Manager's Player' of the week. It is lovely to see so many children enjoying learning how to play football

and practising their skills and teamwork as part of a local club. Well done to you all.

From Y3, my next visitor came to share the badge she had been awarded as part of the Beaver group she attends. It was lovely to hear her talk about how much she enjoys attending.

In my next photo you can see one of our Y5 boys who came to share the blue belt he had been awarded for demonstrating his

fantastic skills in karate. He talked about how much he was learning a martial art and how tricky it had been to pass the test. A brilliant achievement.

Finally, from Y2, my last visitor came to

share the certificate and medal she had earned by showing the gymnastics skills she has learned. She talked about the different skills and it was lovely to see how confident she was with them.

Well done to all the children pictured here.
