- 18th July—Y6 transition to North Gosforth Academy
- 18th July—New class transition day 2
- 19th July—Y6 transition to North Gosforth Academy
- 21st July—Y6 Leavers Assembly
- 21st July—Last day of the school year

SUMMER HOLIDAYS

- 4th September—TRAINING DAY—SCHOOL CLOSED
- 5th September—Start of a new school year

Fairy Door Spotting—Fordley Planta

These little fairy doors, created for each class, will be placed in the Fordley Planta. If you spot one, during the half term holiday, take a photo and share it on our Facebook page or on Seesaw. It will be lovely to see who can find them!

Fordley Primary School

Friday Newsletter - 26th May 2023

Sports Mornings

Dear Fordley Family,

The week after half term we will hold our annual sports mornings for all year groups., and families are very welcome to come and support our children.

The dates for each sports morning are:

- Y1 and Y2—Tuesday 6th June at 9:15am
- Reception—Wednesday 7th June at 9:15am
- Y3 and Y4—Thursday 8th June at 9:15am
- Y5 and Y6—Friday 9th June at 9:15am

Nursery will have their sports day on **Thursday 15th June**. Further information will be shared about this nearer the time.

Children will need to come to school on the day in their PE kit, with a hat/cap and a water bottle (sun cream too if the weather is sunny).

Hopefully the weather will be dry on the day but if we have to cancel, for any reason, we will let you know via Seesaw, our website and our Facebook page.

Thank you for your ongoing support of our happy, nurturing, hard-working and successful school. I hope you all have a fantastic half term holiday and we will reopen for a new half term on **Tuesday 6th June**.

Kind regards,

Mrs C.L. Withers
Headteacher

Successes in school and at home

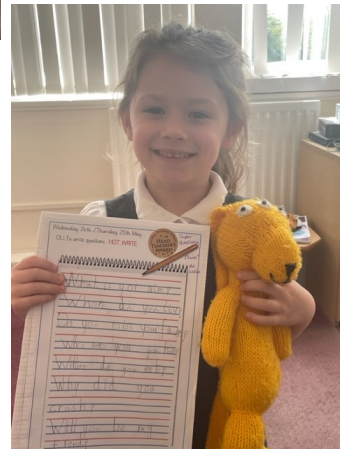

There are so many successes from school and home to share this week, for so many different reasons.

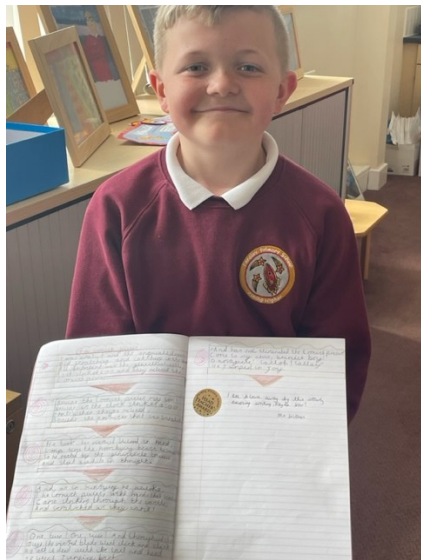

In my first photo you can see three of our Y1 boys who came to share with me the structures they had designed and built during Lego Engineering week. They were very proud of how different parts of their builds moved and talked about how they had worked together as a

team. Brilliant job boys!

Also from Y1, my next visitor came to share the questions she had written as part of her hot write. Y1 had been challenged to write questions to ask of Beegu (the Alien) from the story they had been reading. Her questions were clear

and interesting, and every one ended in a question mark.

From Y4, my next visitor came to share the hot write he had completed. Not only was it detailed, interesting and brilliantly written, I was also blown away by the progress he has made in his writing this year. We both felt he was ready for his pen licence too, due to his fluent joined handwriting. Superb writing!

In my next set of photos you can see

children from Reception, Y1, Y2, Y3, Y4 and Y5 who came to share the amazing range of trophies and medals they had been

awarded as part of their true dedication and enjoyment of playing football with their teams. It was lovely to hear how much they have got out of playing this season and I look forward to hearing more about it next season.

From Y5, my next visitor came to share the medal and certificate he had been awarded for surfing. We talked about how fit and what good balance you need, and it was clear that he had really enjoyed the sessions.

My next visitors came from Y1 and in the first photo you can see the rosette that had been

awarded for horse riding. A tricky skill to master. In the second photo you can see the figure that had been created using lots of tricky cutting and sticking skills. Well done to you both.
